7. Anything Else You'd Like to Share

Meditaliano is a dedicated educational advisory and training platform specializing in medical studies in Italy.
While our core focus has been Italian public medical schools, we actively counsel dozens of highly qualified students from Europe, the Americas, Asia, and worldwide who seek a secure and distinct path into medical school. Link Campus University offers unique institutional advantages that strongly appeal to our prospective medical candidates.
Our main student interest is focused on the Medicine degree and the Healthcare Foundation Year as a pathway.
