2. OPERATIONAL ARCHITECTURE: ITALIAN MEDICAL STUDENT MENTORSHIP

Peer-to-Peer Medical Education Syndicate:

Meditaliano operates an elite student-to-student support infrastructure. Our network is led by active, top-ranking medical students currently enrolled in English-taught medical faculties across our three main Italian operational hubs:

- **Padova Hub:** Pre-clinical and MedTech tracks, North-Eastern Italian university admissions, and student life.
- **Bologna Hub:** Emilia-Romagna degree tracks, Veterinary Medicine, and central Italian administrative procedures.
- **Milan Hub:** Lombardy faculties (Statale, Bicocca) and private university entrance pathways (e.g. Link Campus).

These regional counselors bridge the gap for international candidates through tailored 1-on-1 online tutoring, proprietary diagnostic exams (6,000+ question bank), and end-to-end guidance through the bureaucratic landscape of Italian admissions.

3. FACULTY COMPOSITION & ADVISORY INFRASTRUCTURE

Advisory Board Size	5 Dedicated Counselors & Active Medical Student Instructors
Academic Leadership	Nima Rasti (Chief Academic Advisor, All-Time IMAT World Record Holder: 87.0/90)

Counseling Modality	Dual Engine: 1-on-1 Live Online Tutoring + Local In-Person Arrival Coordination

4. GLOBAL COMMUNITY SCALE & CANDIDATE POOL

Active Community Size	1,500+ Active Aspiring Doctors, Applicants & Enrolled Medical Scholars Worldwide
Enrolled Student Diversity	Global candidate body spanning Europe, North America, South America, and Asia
Candidate Status Distribution	Balanced representation of European Union (EU) and Non-EU international applicants
Schooling Profile	Graduates from both 12-year systems and 11-year systems seeking Foundation Year

EXECUTIVE SUMMARY OF EDUCATIONAL SERVICES & LEGAL ACCREDITATION

Meditaliano provides comprehensive educational services designed to maximize admission certainty into Italian medical faculties. Our structured guidance encompasses four pillar stages:

1. Academic & Eligibility Appraisal: Evaluation of 12-year schooling, CIMEA Statements of Comparability, and DoV.
2. Scientific Preparation: Advanced biology, chemistry, physics, and logical reasoning via our 6,000-question portal.
3. Bureaucratic Coordination: Full management of Universitaly pre-enrollment and consular visa application packages.
4. On-the-Ground Transition: Assistance with local Codice Fiscale, Permesso di Soggiorno registration, and housing.

This comprehensive institutional framework ensures that enrolled students transition smoothly from overseas candidates to matriculated medical undergraduates with full legal compliance.

Bologna Faculty of Veterinary Medicine	Zahra (UAE) - Admitted and currently matriculated

6. INSTITUTIONAL SYNERGY & RECRUITMENT PIPELINE FOR LINK CAMPUS

Strategic Channel to Link Campus University Programs:

While public universities remain highly competitive with single-choice Non-EU quotas, our active student pool includes dozens of ambitious candidates looking for distinct, predictable, and supportive pathways into medicine in Italy:

- **Healthcare Foundation Year Pathway:** Ideal for international school students requiring a 12th year or needing a smooth pre-medical transition in English before embarking on full medical training in Italy.
- **Medicine & Surgery (LM-41 Degree):** High-demand focus. Students seeking world-class simulation facilities and small cohorts at the Casale San Pio V campus in Rome, avoiding arbitrary entrance quota volatility.

Meditaliano's network in Milan, Bologna, and Padova directly steers these qualified students to Link Campus.

7. PROJECTED STUDENT REFERRAL TARGETS FOR LINK CAMPUS UNIVERSITY

Medicine & Surgery LM-41 (Direct Degree)	20 - 40 Highly motivated medical candidates per academic year
Foundation Year - Healthcare (English)	10 - 20 Qualified pre-medical / science candidates per academic intake
Foundation Year - Engineering / Business	3 - 5 Specialized candidates seeking Italian degree articulation
Bachelor's & Master's Degree Tracks	2 - 5 Students (Economics, Political Science, Strategic Studies)
